Building an echo friendly sustainable society where each and every one could lead a life with dignity.

Our Mission

To work for echo friendly and sustainable development of the society where all human being could fulfill their basic needs and enhance their quality of life.

About AIM TRUST

AIM Trust is a Civil Society Organization working in Uttar Pradesh, Uttarakhand and Maharashtra since 1999. The organization is focusing on women and child welfare, Adolescent girls empowerment, supporting small and marginal farmers, disaster management, environment protection etc. since over two decades. We form groups, collectivise, organize training and capacity building and ensure long term engagements with our beneficiaries. AIM Trust is dedicated to sustainable societal development through various initiatives targeting child welfare, resilience, livelihood enhancement and disaster risk reduction. Notable projects include the Women Welfare project in Uttar Pradesh, Uttarakhand and Maharashtra, supporting for marginalized women's welfare and promoting sustainable practices. Our interventions are encouraged and supported by Women Win, Azim Premji Foundation, Child Rights & You - CRY, Global Network Civil Society Organization for Disaster Risk Reduction - GNDR, Go Campaign, Jiv Daya Foundation, and many others. We are legally registered under Indian Trust act, hold 12A and 80 certification and FCRA and CSR-1 Registrations.

Our Thematic Area

Health and Nutrition (SDG #3): Nutritional support for children in Lakhimpur Kheri district, benefiting over 500 children in 5 villages.

Integrated Child Development (SDG #4): Operating 35 Child and Adolescent Resource Centres in Uttar Pradesh, catering to more than 5000 children.

Gender Justice and Empowerment (SDG #5): Programs for women farmers in Uttar Pradesh and Maharashtra, impacting over 2000 women.

Life Skill & Vocational Skill Development (SDG #4 & 6): Initiatives for improving school infrastructure, digital learning, and vocational skills development.
